BENTON PARK SCHOOL TECHNOLOGY COLLEGE

SPONSORSHIP OPPORTUNITIES AT BENTON PARK

For a number of years, boys' football teams at Benton Park have performed at U12, U13, U14, U15, U16 and U18 levels. Last year over 60 games were played throughout the age groups.

As Head of Boys PE, I feel it is essential that our pupils are sent out in strips that demonstrate our identity. The commitment of the boys is fantastic and I feel it is important to reward them with much needed new kit.

The boys and I would be very grateful if any local companies would be able to sponsor a new kit at any age group and if you or your Company are interested, please do not hesitate to contact Mr Ross on 0113-2502330.

Thank you

Principal Mrs A M Clarke, B.A. (Hons) M.A.
