Dear Applicant

## APPLICATION FOR EMPLOYMENT AS TEACHER OF MATHEMATICS

Thank you for your recent enquiry about employment at this school.

If you wish to pursue your interest in the post, please complete the application form, in black in order that legible copies can be taken, and return it to school by the closing date.

If you have a disability and require this information in a different format, for example, Braille, larger print or on CD, please contact Alison Cliffe at the school.

Please note that it is our policy not to accept late applications except in exceptional circumstances which are outside of your control.

If we have not contacted you within four weeks of the closing date please assume that your application has been unsuccessful. I hope you will appreciate that the decision not to acknowledge unsuccessful applicants has been taken in the interests of cost effectiveness.

The school is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.

We look forward to receiving your completed application form in due course.

Yours sincerely

David Foley
