

## BENTON PARK SCHOOL TECHNOLOGY COLLEGE TEACHER OF MATHEMATICS

**MPS/UPS**

---

### *The Post*

We are seeking to appoint a dynamic and innovative well qualified Teacher of Mathematics who will encourage students to enjoy Mathematics and achieve outstanding results.

The successful candidate will be committed to raising standards and achievement through innovative thinking and the development of a range of teaching and learning styles.

The person appointed will contribute to the teaching of Mathematics at KS3, KS4 and 'A' level if appropriate.

### *The Department*

The Mathematics department is made up of 8 well-qualified and experienced members of staff. At present the structure of the department is as follows:

Curriculum Leader  
Assistant Curriculum Leader  
Key Stage 3 Co-ordinator  
Maths Intervention Co-ordinator

In KS4 the Edexcel Modular Specification has been adopted for Higher and Foundation tier candidates. Both tiers use Edexcel Heinemann books.

At 'A' level the department has adopted the Edexcel specifications. A small group of students will study Further Maths at AS level and A2 level.

The department has a suite of 7 classrooms on the second floor and its own work room, equipped with a networked PC and printer. There is access to five very well equipped computer rooms. The department has its own class set of laptops and interactive whiteboards in all classrooms.

In Year 7 the pupils are taught in bands in half-year groups. In Years 8 - 11 the pupils are setted according to mathematical ability within the half-year groups.
