

AT BENTON PARK, WE VALUE AND CELEBRATE ALL OUR DIFFERENCES!

You can always report any harassment and derogatory comments directly to a member of staff.

It's against the law to discriminate against someone based on protected characteristics.

We live our values of Resilience, Endeavour, Inspiration, Collaboration and Compassion every day, standing up for what's right and speaking out when we see something wrong.

We are never bystanders - we are upstanders.

We are proud of working with Red Kite Alliance to complete the RED (Respect, Equality, Diversity) Award, creating a culture of mutual respect and understanding for all.

This is the heart of what Benton Park is - take action with us!

If you experience or see harassment because of protected characteristics...

you know who to talk to...

any member of the pastoral team, safeguarding team or any member of staff in school!
