# Get healthcare cover abroad with a UK GHIC or UK EHIC

The UK Global Health Insurance Card (GHIC) lets you get necessary state healthcare in the European Economic Area (EEA), and some other countries, on the same basis as a resident of that country. This may be free or it may require a payment equivalent to that which a local resident would pay.

The UK GHIC has replaced the existing European Health Insurance

## Behaviour contract

### BEHAVIOUR CONTRACT FOR SPAIN TRIP

1) I agree to abide by the instructions given to me by the school staff and by my tutors, and clearly understand that instructions are for my own safety and well-being, as well as that of others.

2) I agree to abide by all timings and agreed location meeting points set down and understand that timings are critical for success and enjoyment of the trip.

3) I agree to keeping my room in a clean and reasonably tidy state for the duration of the trip and agree to report any damages, caused unintentionally or otherwise, as soon as possible. I understand that if I do damage any property, I will report it/be responsible for payment of damages. I also agree to leave the room in the state required by Spark school staff.

4) I agree that I will sleep in the same gender room allocated to me every night, and for the duration of the night, and understand that this is for my own safety and well-being.

5) I understand that the minimum legal drinking age in Spain is 18 and will therefore not be consuming alcohol.

6) I agree to show respect for others, their property, and to also moderate my language whilst in transit, in hostel and when out on visits, and by demonstrating positive and mature behaviour, my chances of enjoyment will be significantly increased.

7) I agree that I have no injury prior to departure that will be exacerbated by going on the Spain Trip. I understand that any false declarations will render the insurance policy null and void.

8) I agree to giving this trip my full enthusiasm, a good 'get up and go' attitude, a sense of fun and understand that at all times I am an ambassador for Benton Park School.

9) Finally, I understand that any breaches of the above points will invoke the 3-stage disciplinary process which we also follow in school. If a breach of this behaviour contract happens, I understand that sanctions will apply, and in case of a serious breach, I understand that it might result in me being asked to return home to the UK, which I understand will be at my own expense and which will have to be organised by me.
