The most difficult:

<u>Knowledge</u>	<u>Skills</u>
Reference to others – recognising when the verb has changed from I to he / she / we or they. Negatives – spotting when a sentence becomes negative because “no” (not) or “nunca” (never) has been added Conditional Tense – spotting “I would” endings such as ‘me gustaría’ in Spanish Preterit Tense – understanding key past verbs in Spanish	Annotating the listening questions Listening twice for detail, before deciding the answer Silently “playing back” what you heard in your head, until you have processed what you heard

How to get top marks:

This will be a listening assessment, so you must annotate the questions before you listen, then listen twice carefully before deciding on the answer.

Once you have completed “red / amber / green” on the list above, use our bespoke class Quizlet to revise your weakest topics. These are all linked on Microsoft Teams for you, or on the links above.

We will be completing practice tasks in class. Take these home and work through them again, filling any knowledge and skill gaps. Use process of elimination to eliminate some options from multiple choice questions, guessing from what remains.
