We continue to invest in our facilities to ensure every student benefits from an outstanding experience that supports both academic achievement and personal development.

## EXCEPTIONAL LEADERSHIP OPPORTUNITIES

At Benton Park Sixth Form, leadership is for everyone. Our Lead Students coordinate the Sixth Form Student Council, acting as a vital link between the student body and school

leadership. They organise social events, represent the Sixth Form within the school and local community, and develop essential skills in communication, organisation and responsibility. Every Sixth Form student is seen as a role model for younger pupils, and we actively encourage all students to take on leadership roles that make a real difference.

## PERSONALISED SUPPORT AND OUTSTANDING DESTINATIONS

From the moment you join us, you'll feel supported every step of the way. Our personalised approach means you'll receive tailored guidance, mentoring and opportunities to help you fulfil your potential and confidently take your next steps. Whether your aspirations lie in university, apprenticeships or employment, our dedicated team works closely with you to explore your options, build essential skills and make informed decisions about your future.

We're proud that every student who completes their studies with us progresses into a meaningful destination—be it higher education, training or the world of work. From academic support to career planning, enrichment activities to leadership development, we provide a nurturing environment where ambition is encouraged and achievement is celebrated.

## ENRICHMENT AND REAL-WORLD EXPERIENCE

We believe education goes beyond the classroom. Our holistic approach ensures students have access to a wide range of enriching experiences alongside their academic studies. Our personal development programme combines pastoral care with timetabled enrichment, equipping students with the skills needed for successful Sixth Form study, an understanding of current affairs, and preparation for independent living.

Students can choose from a variety of enrichment courses throughout the year, developing our three key values while gaining additional skills and qualifications. Opportunities include debate club, sports leadership, First Aid certification and more—helping students stand out in future applications.

We also provide every Year 12 student with a one-week work experience placement, thanks to strong partnerships with local businesses. This invaluable opportunity allows students to apply their skills in a professional setting and explore potential career paths first-hand.

## HIGH FLYERS PROGRAMME

Our High Flyers Programme is designed for students aiming for the most competitive destinations, including Oxbridge and Russell Group universities. This bespoke programme introduces students to super-curricular activities that go beyond the standard curriculum, showcasing a genuine passion for their subjects. Participants take part in specialist workshops, university visits and enrichment trips that broaden horizons, build confidence and provide practical guidance on how to stand out in future applications. From personal statement support to interview preparation, the High Flyers Programme ensures our most ambitious students are fully equipped to achieve their goals.

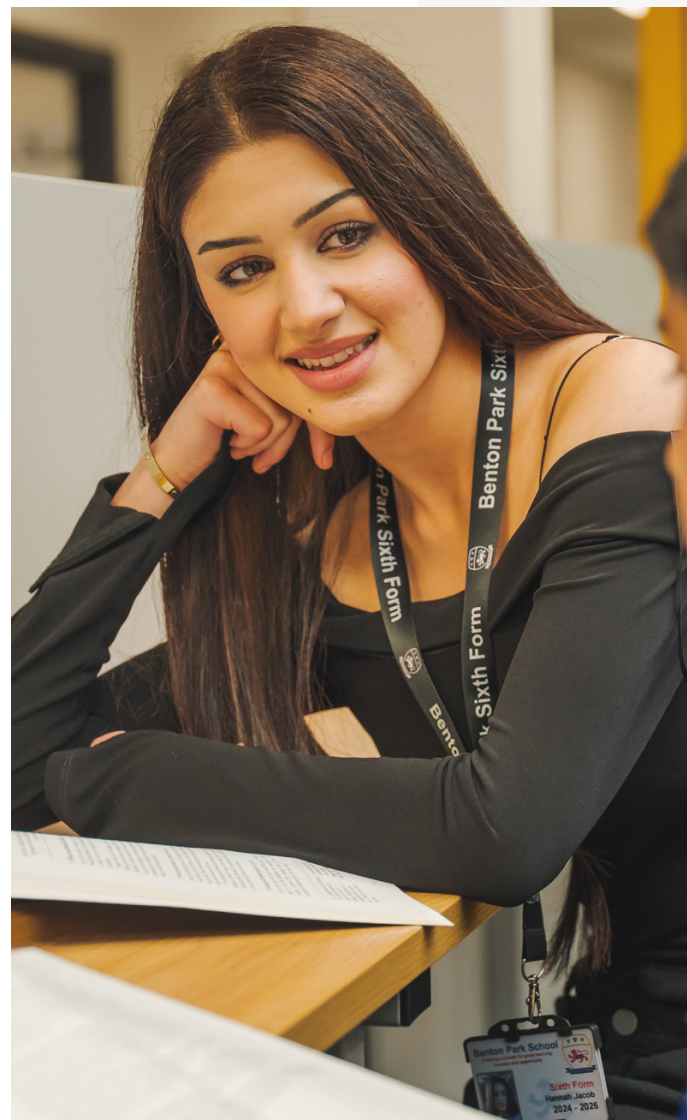

## TRIPS AND VISITS

Life at Benton Park Sixth Form is about more than academic success—it's about creating unforgettable experiences. Students enjoy a wide variety of trips and extracurricular activities throughout their two-year journey. These include subject-specific enrichment such as university lectures in Economics, fieldwork in Geography, and visits to magistrates as part of Criminology studies, bringing learning to life beyond the classroom.

In addition to academic enrichment, students take part in whole-year events that foster community and connection—such as festive outings to Christmas markets, exhilarating theme park visits, and team-building residentials. These shared experiences help students build lasting friendships and create memories that will stay with them long after they leave Sixth Form.

“The sixth form is a strength of the school. This is because the curriculum is well delivered and the impact of sixth-form teaching is embedded.”

# WHY JOIN BENTON PARK?

“ I chose to stay at Benton Park Sixth Form because I feel like the teachers are all so friendly and supportive. They really make the environment feel welcoming whether you are a new student or not. ”

Sophie B

“ As an external applicant, I chose Benton Park Sixth Form because of its diverse range of subjects and the strong emphasis it places on mental health support. As a sixth former, the independence afforded to us is highly valued and a key part of the experience. I appreciate the trust placed in students to thrive academically and personally, fostering a sense of maturity and responsibility. Being a sixth former has taught me a great deal about ambition, self-motivation, effective time management and I have been pushed to become a more independent learner, all of which are essential life skills. I would definitely recommend this sixth form to any student looking to embrace independence and for those who are self-motivated and eager to take on new challenges. This sixth form provides the perfect platform to achieve your full potential. ”
