- The Benton Park Enrichment Challenge is designed to give all students exciting opportunities inside and outside the classroom.
- We believe that positive experiences beyond the curriculum play an integral role in developing well rounded students.
- It is also a key way in helping you belong, develop character and achieve excellence.
- As part of this challenge all students should aim to take part in a wide range of extra curricular, personal development and enrichment opportunities.
- The more challenges you complete, the more you achieve and will be rewarded for your engagement and progress!
